GrenacheFrance  
Rhône Valley, France  
Sweetness: Dry Alcohol: 13.5% Body: Med-Full

**THE WINE**  
This French varietal has a distinctive combination of fruit and spice in the aroma making for a lively wine. The medium bodied red boasts flavours of red fruit, with hints of anise and tobacco. Fine tannins leave the palate balanced on the finish.

**THE REGION**  
The Rhône Valley begins in the Alps and continues for more than 500 miles along the Rhône River ending at the Mediterranean Sea. Southern Rhône has a Mediterranean climate with warm summers, mild winters and less rainfall than its northern counterpart. Vineyards line both sides of the river and the Mistral wind from the north blows away moisture, brings beautiful sunshine, and cools the landscape in the summers, which is perfect for ripening grapes.

**THE FOOD**  
Grenache is a brilliant wine to match with many types of cuisine. Try with grilled, stewed and braised game meats as well as hearty stews. A roasted lamb shoulder with rosemary would be a wonderful pairing.
